CONVENTION

Las Vegas, NV
March 1-3, 2012

SANDY BOTKIN, CPA, ATTORNEY **KEYNOTE SPEAKER**

YOU CANNOT AFFORD NOT TO BE HERE to learn from the man who has taught thousands how to save millions on their taxes.

What would it be worth to you in order to save **\$4,000 to \$10,000 or more each year** and know your records are bullet-proof from the IRS? Sandy, in his clear, humorous style, will answer the questions:

1. Why do we have two tax systems: one for employees and one for business people, and why is the *business* tax system so much better than that for employees?
2. How can you save hundreds or even thousands of dollars a year as a result of the newest economic stimulus laws?
3. How can you bullet proof your fun, movies, plays and golf deductions? (Imagine what *that* peace of mind would be worth in not having to worry about an IRS audit!)
4. How can you legally, morally & ethically reduce your taxes?
5. What does it really take to become a multi-millionaire?
